Dear Sirs and Madam:

Pursuant to the instructions and authorization from the Commissioner of Insurance for the State of Mississippi, and in compliance with statutory provisions, an examination as of December 31, 2005 has been conducted of the affairs and financial condition of:

**MS DIVERSIFIED LIFE INSURANCE COMPANY**  
(NAIC COMPANY CODE 78310; NAIC-ETS No. MS029-C15)  
Statutory Home Office:  
1501 Lakeland Drive, Suite 350  
Jackson, Mississippi 39216

The examination was performed at the Mississippi Insurance Department (MID) and at MS Diversified Life Insurance Company’s main administrative office located in Atlanta, Georgia. The examination was conducted in accordance with Miss. Code Ann. §83-5-201 et seq., and the report of examination is herewith submitted for your review.
INTRODUCTION

The examination period, for purposes of this report, is January 1, 2003 through December 31, 2005, and the examination date is December 31, 2005. The examination was performed by examiners representing the MID and covered MS Diversified Life Insurance Company's (MSDLIC or Company) operations and financial condition through the examination period, including material transactions and/or events that occurred subsequent to the examination date and were noted during the course of the examination. The Company's previous examination was as of December 31, 2002, and the previous report of examination was dated July 30, 2004.

SCOPE OF EXAMINATION

The examination of the Company was a full scope financial examination conducted in a manner consistent with the standards and procedures required by the National Association of Insurance Commissioners (NAIC) Financial Condition Examiners Handbook, as amended, as well as the MID, and included an assessment of the Company's financial condition, its ability to fulfill and manner of fulfillment of its obligations, the nature of its operations and compliance with applicable laws. A full scope market conduct examination was not performed; however, limited procedures were performed on certain areas of the Company's market conduct.

The examiners tested the underlying data for the Company's reserve provisions; however, the amounts reported within this report for policy reserves, including any related items and reinsurance, were based on the review and opinion of the examination actuary who was assigned to the examination by the MID. The reporting in the recommendations section of this report was by exception whereby items tested and deemed acceptable by the examiner received little or no comment.

HISTORY OF THE COMPANY

The Company was formed as Mid-South Re Insurance Company on January 15, 1987, and was granted a license on January 1, 1987 to write credit life and credit accident and health insurance. Effective August 26, 1987, the Company's name was changed to MS Diversified Life Insurance Company. The Company did not pay any dividends to its stockholders during the period under examination.

HOLDING COMPANY STRUCTURE

The Company is a member of an insurance holding company system as defined within Miss. Code Ann. §83-6-1. Holding Company Registration Statements, for the period under examination, were filed with the MID in accordance with Miss. Code Ann. §83-6-5 and §83-6-9. These filed statements and applicable amendments were reviewed and it appeared that any changes and material transactions by and between the Company and its affiliates were disclosed appropriately.
The ultimate controlling entity of the Company was Fortis, Inc., who owned 16% of Assurant, Inc., which is a publicly traded company that, through its many subsidiaries, is a leading writer of credit insurance and related products, individual and small group major medical, group disability income, dental, group life, and pre-need insurance. American Bankers Life Assurance Company of Florida ("ABLAC") owned all of the outstanding shares of the Company’s Class B preferred stock and owned 67% of the Company’s outstanding common stock, with the remaining outstanding shares of common and preferred stock being owned by outside shareholders. The direct line organizational chart, as included within the Company’s holding company structure, is displayed below:
RELATED PARTY TRANSACTIONS / REINSURANCE

The Company assumed all of its business from its parent company and thus its significant related party transactions consisted of those in the normal course of its business, where the Company assumed premiums of approximately $718,000 in 2005, $1,214,000 in 2004, and $1,725,000 in 2003. The reinsurance transactions and agreements were reviewed without significant exceptions, where the treaties did not contain any provisions that would be considered unusual, and the projected final accounting did show proper transfer of risk. In addition, the financial statements appeared to properly reflect, in all material aspects, the proper accounting for the intent of the reinsurance agreements.

MANAGEMENT AND CONTROL

The Articles of Association and Bylaws vest the management and control of the Company's business affairs with the Board of Directors ("Board"). The members of the duly elected Board, along with their place of residence and principal occupation, as of December 31, 2005, were as follows:

The following officers and/or directors served on the Investment Committee as of December 31, 2005:

CONFLICT OF INTEREST

The Company had formal procedures whereby disclosures were made to the Board of any material interest or affiliation on the part of any officer or director that was, or would likely be, a conflict with their official duties. These procedures were reviewed, and no conflicts or exceptions to the Company’s policies were noted.

CORPORATE RECORDS

The minutes of the meetings of the Stockholders and Board prepared during the period under examination were reviewed and appeared to be complete with regard to the matters brought up at the meetings for deliberation, which included the approval and support of the Company’s transactions and events, as well as the review of its audit, actuarial and examination reports. It was noted, however, that Article V Section 1 of the Company’s Bylaws allows any two or more offices to be held by the same person, and this appears to be in conflict with Miss. Code Ann. §83-19-15 which states that the offices of president and treasurer cannot be held by the same individual. It is recommended that the Bylaws be amended to correspond with the requirements of Miss. Code Ann. §83-19-15.
FIDELITY BONDS AND OTHER INSURANCE

The Company was included in a comprehensive corporate insurance program that included commercial general liability, commercial umbrella coverage, computer crime coverage, business auto coverage, as well as a financial institution bond that with its $10 million single loss limit of liability and $40 million aggregate limit of liability exceeded the NAIC’s suggested minimum amount for fidelity coverage.

DIRECTORS’, OFFICERS’, EMPLOYEES’, AND AGENTS’ WELFARE

The Company did not have any direct employees, but instead received management services from its parent company, ABLAC; fees paid by the Company under written contracts for management services approximated $70,000 during the examination period.

TERRITORY AND PLAN OF OPERATION

The Company was licensed to write life and accident and health insurance in the State of Louisiana and credit life and credit accident and health insurance in the State of Mississippi; however, since its formation, the Company’s business consisted of the assumption of credit insurance written by its parent company.

STATUTORY DEPOSITS

The Company’s statutory deposits with the State of Mississippi complied with Miss. Code Ann. §83-19-31(2). The following chart displays the Company’s deposits as of December 31, 2005:

<table>

<tr>

MARKET CONDUCT REVIEW

A full scope market conduct examination was not performed; however, limited procedures were performed on claims paid by the Company, and no significant exceptions with regard to the limited procedures performed were noted.

ACCOUNTS AND RECORDS

The Company’s records were maintained at various locations utilizing a client-server architecture as well as a mainframe processing center in Woodbury, Minnesota.
COMMITMENTS AND CONTINGENCIES

The Company, as of December 31, 2005, was involved as a defendant in various litigation matters. Although the outcome of such legal actions cannot be predicted, in the opinion of management and its legal counsel, the resolution of any currently pending or threatened actions should not have a material adverse effect on the surplus position of the Company.
FINANCIAL STATEMENTS

The following financial statements, as determined by the financial examination, consist of a Statement of Admitted Assets, Liabilities, Surplus and Other Funds as of December 31, 2005, a Summary of Operations for year ended December 31, 2005, a Reconciliation of Surplus and Other Funds for examination period ended December 31, 2005, and a Reconciliation of Examination Changes to Surplus and Other Funds.

MS DIVERSIFIED LIFE INSURANCE COMPANY
RECONCILIATION OF EXAMINATION CHANGES TO SURPLUS AND OTHER FUNDS
FOR YEAR ENDED DECEMBER 31, 2005

There were no changes made to the admitted assets, liabilities or surplus balances reported by the Company for the year ended December 31, 2005. The surplus and other funds, which totaled $1,755,728 as of the examination date, was determined to be reasonably stated and in compliance with Miss. Code Ann. §83-19-31.
SUBSEQUENT EVENTS

In March 2006, the Company redeemed 19,806 of its outstanding preferred stock for approximately $1.3 million. This transaction was approved by the MID and was funded by the Company’s parent company, ABLAC. In addition, in June of 2006, the Company informed the MID of its intent to merge its operations into its parent company.

RECOMMENDATIONS

During the review of the Company’s Bylaws it was noted that Article V Section 1 allows any two or more offices to be held by the same person, and this appears to be in conflict with Miss. Code Ann. §83-19-15 which states that the offices of president and treasurer cannot be held by the same individual. It is recommended that the Company amend it Bylaws to correspond with the requirements of Miss. Code Ann. §83-19-15. See page 6 of this report.
