Honorable George Dale
Commissioner of Insurance
Mississippi Insurance Department
501 North West Street
1001 Woolfolk Building (39201)
Post Office Box 79
Jackson, Mississippi 39205-0079

Dear Commissioner Dale:

Pursuant to your instructions and authorization and in compliance with statutory provisions, an examination has been conducted, as of December 31, 2005, of the affairs and financial condition of:

MISSISSIPPI WORKERS' COMPENSATION ASSIGNED RISK POOL
682 Towne Center Boulevard, Suite 102
Ridgeland, Mississippi 39157

The examination of the Mississippi Workers' Compensation Assigned Risk Pool (the “Pool”) was conducted in accordance with Mississippi Regulation 96-102 and was performed at the Ridgeland, Mississippi offices of Compensation Insurance Services (“CIS”), the Pool’s administrator. The report of examination is herewith submitted for your review.
INTRODUCTION

This examination was performed by examiners representing the Mississippi Insurance Department ("MID") and covered Mississippi Workers' Compensation Assigned Risk Pool ("Pool") operations and financial condition from inception through December 31, 2005, including material transactions and/or events occurring subsequent to the examination date and noted during the course of this examination.

SCOPE OF EXAMINATION

The examination of the Pool included a review of its operations and compliance with applicable laws, as well as the review of its financial statements. The Pool is audited annually by a local accounting firm and substantial reliance was placed on the work performed by these independent auditors, after their work was reviewed and/or tested without exception being noted by the examiner.

This examination was conducted in accordance with procedures recommended by the National Association of Insurance Commissioners (NAIC) Financial Condition Examiners Handbook. Reporting in the comments and recommendations section of this report was by exception; therefore, items that were tested and deemed acceptable by the examiners without material change receive little or no comment.

HISTORY OF THE COMPANY

In 1992, the Mississippi legislature authorized the Mississippi Commissioner of Insurance (the "Commissioner") to form the Mississippi Workers' Compensation Assigned Risk Plan (the "Plan"). The Plan's purpose was to provide workers' compensation insurance to employers in Mississippi that in good faith were entitled to insurance, but were unable to obtain such workers' compensation insurance in the voluntary market because of unusual conditions or circumstances. Pursuant to Miss. Code Ann. §71-3-111, the Commissioner established the Pool effective January 1, 1993 to be the reinsurance mechanism for policies issued pursuant to the Plan. The Pool was established as a non-profit, unincorporated association of member companies, for the purpose of providing reinsurance for all workers' compensation residual market policies and to accomplish the equitable distribution of all underwriting profit and loss of the residual market policies to the members. All insurance companies licensed to write workers' compensation in Mississippi were required to be members of and participants in the Pool.

The Commissioner was authorized to contract for Plan and Pool administration. Since inception, the Plan's administration has been contracted with the National Council of Compensation Insurance, Inc. ("NCCI"), and the Pool's administration has been contracted with Compensation Insurance Services ("CIS").

Two servicing carriers were issuing policies as of December 31, 2005. Each servicing carrier was authorized to issue workers' compensation insurance policies for those employers that apply
through the Plan’s administrator for insurance in the residual market. The servicing carriers, in turn, reinsure all policy risks with the Pool. The reinsurance contracts between the Pool and the servicing carriers provide that the Pool will assume one hundred percent (100%) of the servicing carriers’ risk of loss under the policies. Operations of the Pool are subject to fluctuation in the voluntary market and may experience significant variability in volume over a period of years.

**MANAGEMENT AND CONTROL**

**Membership**

Every insurance company authorized to write workers’ compensation and employers’ liability insurance in Mississippi is required to participate in the Plan through membership and participation in the Pool. Members are bound by the Pool’s Governing Articles as a condition of their authority to transact workers’ compensation and employers’ liability insurance in Mississippi.

**Advisory Board**

Pursuant to Mississippi Regulation 96-102, the Commissioner shall serve as the Director of the Pool. The Pool has an Advisory Board (the “Board”) composed of seven (7) Members of the Pool. No more than three (3) Servicing Carriers shall serve on the Board at any time. The Commissioner and Pool Administrator shall serve as ex officio, nonvoting Members of the Board. As of December 31, 2005 the Board consisted of:

Frankie F. Box, Chair  
Cindy Sickler, Vice-Chair  
John A. Ecton  
Michael N. Horlock  
John Brad Little  
John William Roberts  
H. Duke Truby  
EMC Companies  
LM Insurance Company  
Capital City Insurance Company  
Zurich North America  
St. Paul Travelers  
AmFed National Insurance Company  
Bituminous Insurance Companies

**CORPORATE RECORDS**

The minutes of the meetings of the Board, prepared since inception of the Pool, were reviewed and appeared to be complete with regard to the matters brought up at the meetings for deliberation.

**FIDELITY BOND AND OTHER INSURANCE**

Pursuant to the Contract for Pool Administration with CIS, CIS maintained a Commercial Crime Policy which complied with the contract. The $100,000 policy in force as of the examination date named the MWCARP as the Loss Payee.
TERRITORY AND PLAN OF OPERATION

The Pool serves as the reinsurance mechanism for the Mississippi Workers' Compensation Assigned Risk Plan ("Plan") and provides for the equitable distribution of all underwriting profit or loss of the Plan to the Members. The purpose of the Plan is to provide for the assignment of Mississippi employers who are in good faith entitled to workers' compensation insurance, but who are unable to procure such insurance in a regular manner.

REINSURANCE

Reinsurance Intermediary:
The Company used the services of Guy Carpenter & Company, Inc. ("Guy Carpenter"), a reinsurance intermediary, to place reinsurance with various reinsurers. Guy Carpenter was licensed and authorized by the Mississippi Insurance Department and had the authority to procure placement certificates from various reinsurers in the Pool’s reinsurance ceded program.

Mississippi Workers' Compensation Assigned Risk Pool
MID Examination as of December 31, 2005
RECONCILIATION OF EXAMINATION ADJUSTMENTS TO MEMBERS' EQUITY
DECEMBER 31, 2005

As a result of this examination, there have been no adjustments made to the admitted asset, liability, and member's equity reported by the Pool in the 2005 financial statement. The members' equity reported by the Company of $11,942,769 is accepted as reasonably stated for purposes of the balance sheet per the examination.
MARKET CONDUCT ACTIVITIES

A full scope market conduct examination was not performed; however, limited procedures were performed on claims, claims administration, policy issuance, and underwriting performed by the servicing carriers. A Servicing Carrier Performance Review is performed annually or bi-annually by CIS on the servicing carriers to review the activities for compliance with applicable performance standards.

COMMITMENTS AND CONTINGENT LIABILITIES

The Pool is involved vicariously through indemnity of its servicing carriers in various claims and litigation incidental to its business. Although the outcome of such matters cannot be determined with certainty, management, upon the advice of counsel, is of the opinion that the final outcome should not have a material effect on the Pool’s financial position.
COMMENT AND RECOMMENDATION

1. It was noted that the Pool did not have a custodial agreement with Morgan Keegan & Company, Inc. It is recommended that the Pool obtain custodial agreement with Morgan Keegan & Company, Inc. to comply with all provisions set forth by the NAIC Financial Condition Examiners Handbook. (Page 4)
