This examination was commenced in accordance with Miss. Code Ann. § 83-5-201 et seq. and was performed in Jackson, Mississippi at the statutory home office of the Company. The report of examination is herewith submitted.
INTRODUCTION

This examination was performed by examiners representing the Mississippi Insurance Department (“MID”) and covered American Federated Life Insurance Company (“AFLIC” or “the Company”) operations and financial condition from January 1, 2005, through December 31, 2007, including material transactions and/or events occurring subsequent to the examination date and noted during the course of this examination.

SCOPE OF EXAMINATION

This examination was a full scope financial examination that included assessing the Company’s financial condition, its ability to fulfill and manner of fulfillment of its obligations, the nature of its operations, and compliance with the law. A full scope market conduct examination was not performed; however, limited procedures were performed on specific areas of the Company’s market conduct.

This examination was conducted in accordance with procedures recommended by the National Association of Insurance Commissioners (“NAIC”) Financial Condition Examiners Handbook.

Under the terms of this agreement, the Company ceded 40% of its credit accident and health inforce business to MARC. This agreement also contained an experience refund addendum that resulted in a favorable adjustment to the reinsurance premiums if certain underwriting results were achieved on the reinsured business during the experience period. During the examination period, the Company received experience premium adjustments of approximately $641,000, $479,000, and $531,000 for 2007, 2006, and 2005, respectively.

MARKET CONDUCT ACTIVITIES

A full market conduct examination in accordance with the NAIC Market Conduct Handbook was not performed; however, particular areas of the Company’s market conduct were examined in connection with the financial examination. The particular areas reviewed are as follows:

Policy Forms and Underwriting
The Company had appropriate licensure to issue its products, and the applicable policy forms were approved by the MID. In addition, a review of premium charges and refunds indicated that the Company was in compliance with approved policies and applicable laws.

Territory and Plan of Operation
The Company was licensed to transact business in the States of Louisiana, Mississippi and Missouri and wrote credit life and credit accident and health insurance to customers of affiliated lending companies.

Advertising and Sales Material
During the examination period, the Company did not do any direct advertising or provide any sales material to policyholders.

Treatment of Policyholders
The Company maintained a complaint log during the examination period, and all complaints appeared to have been resolved amicably and no policyholder abuse or undesirable patterns were noted.

Privacy
The Company had a privacy policy in place for the protection of its policyholders, and this policy appeared to be in compliance with applicable law and standards.

COMMITMENTS AND CONTINGENCIES

The Company was a named defendant in a class action suit brought by two Tower Loan borrowers, Claudia Smith and Wilbert Walker, in the United States District Court for the Southern District of Mississippi, Southern Division. American Federated Insurance Company, American Federated Life Insurance Company, Tower Loan, and other affiliates of First Tower Corp., are named defendants in similar actions brought by hundreds of borrowers in other courts. The class action and the actions in other courts, which assert many of the same claims brought in the class action, challenge virtually every material aspect of the loan/insurance practices of the Tower Loan companies and allege violations of state and federal laws. The insurance companies and the loan companies have denied the allegations in all of these cases.

In 2001, the parties to the class action entered into a proposed classwide settlement. Objectors to the class action settlement exhausted their rights to appeal when, on January 18, 2005, the United States Supreme Court denied the objectors’ petition for writ of certiorari. Under the supervision of

American Federated Life Insurance Company
MID Examination as of December 31, 2007
the District Court, implementation of the class action settlement agreement commenced in March 2005. Distributions to Class Members appearing to have been accomplished, the District Court entered an order on September 20, 2006 directing the disbursement to a number of charitable organizations of approximately sixty-seven percent (67%) of the funds remaining in the Settlement Fund. The only matter remaining before entry of an order discharging the Settlement Administrator is judicial direction regarding disbursement (presumably to charitable organizations) of the approximately $168,500.00 remaining in the Settlement Fund as of August 31, 2008.

**SUBSEQUENT EVENTS**

During the year 2008, prior to the completion of fieldwork, the Company paid cash dividends in the amount of $3,785,331. These payments were made to the Company’s parent in lieu of commissions and were approved by the MID.
