Dear Sirs / Madam:

Pursuant to the instructions and authorization from the Commissioner of Insurance for the State of Mississippi, and in compliance with statutory provisions, an examination as of December 31, 2007, has been conducted of the affairs and financial condition of:

SOUTHERN FARM BUREAU PROPERTY INSURANCE COMPANY
(NAIC COMPANY CODE 10058; NAIC-ETS No. MS029-C44)
Statutory Home Office:
1800 East County Line Road
Ridgeland, Mississippi 39157

This examination was performed at Southern Farm Bureau Property Insurance Company's (SFBPIC or Company) parent company's statutory home office located in Ridgeland, Mississippi, and was conducted in accordance with Miss. Code Ann. § 83-1-201 et seq., and the report of examination is herewith submitted for your review.
INTRODUCTION

The examination period, for purposes of this report, is January 1, 2005 through December 31, 2007, and the examination date is December 31, 2007. The examination was performed by examiners representing the Mississippi Insurance Department (MID) and covered SFBPIC’s operations and financial condition through the examination period, including material transactions and/or events that occurred subsequent to the examination date and were noted during the course of the examination. The Company’s previous examination was as of December 31, 2004, and the previous report of examination was dated December 30, 2005.

SCOPE OF EXAMINATION

The examination of the Company was a full scope financial examination conducted in a manner consistent with the standards and procedures required by the National Association of Insurance Commissioners (NAIC) Financial Condition Examiners Handbook, as amended, as well as the MID, and included the assessment of the Company’s financial condition, its ability to fulfill and manner of fulfillment of its obligations, the nature of its operations and compliance with applicable laws. A full scope market conduct examination was not performed; however, limited procedures were performed on certain areas of the Company's market conduct. The examiners tested the underlying data for the Company's loss reserve provisions; however, the amounts reported within this report for loss reserves, including any related items and reinsurance, were based on the review and opinion of the actuary who was assigned to the examination by the MID.

HISTORY OF THE COMPANY

On August 1, 1994, with authorized stock of 100,000 shares of common capital stock (par value $500 per share), the Company was formed under the laws of the State of Mississippi as a wholly-owned subsidiary of Southern Farm Bureau Casualty Insurance Company (SFBCIC).

On August 23, 1994, which was the Company’s business commencement date, and on May 26, 1998, SFBCIC contributed $8.5 million and $15 million, respectively, of additional paid-in capital to the Company. This investment was made in accordance with the Company’s June 28, 1994 organizational meeting whereby a resolution was passed that permitted the Company to obtain additional capital from SFBCIC.

In 2004, after four hurricanes made landfall in the Southeast, the Company incurred significant losses, and to combat the deterioration of its surplus caused by these losses, SFBCIC made $35 million in capital contributions prior to year-end 2004, and an additional $20 million after year-end 2004.
HOLDING COMPANY STRUCTURE

The Company is a member of an insurance holding company system as defined within Miss. Code Ann. §83-6-1. Holding Company Registration Statements, for the period under examination, were filed with the MID in accordance with Miss. Code Ann. §83-6-5 and §83-6-9. These filed statements and applicable amendments were reviewed and it appeared that any changes and material transactions by and between the Company and its affiliates were disclosed appropriately.

Organizational Chart

The organizational chart below displays the identities of the members of the holding company structure that included the Company, and is followed by a brief description of SFBCIC’s other subsidiaries and interests:

Texas Farm Bureau Casualty Insurance Company: This company was formed during 2007 in anticipation of the withdrawal of the Texas Farm Bureau and the Texas Farm Bureau Investment Corporation from SFBCIC.

Related Party Transactions

The Company’s transactions with its related parties were reviewed and the following items were deemed notable for purposes of this report:

- The Company filed consolidated federal income tax returns, which included the operating results of SFBCIC and its subsidiaries; income taxes were allocated to the subsidiaries as though separate tax returns had been filed.

- The Company receives certain administrative services under a cost sharing agreement with its parent. The Company paid $300,000 in 2007, $972,400 in 2006, and $926,100 in 2005 under the terms of this agreement.

- As previously discussed in this report, SFBCIC owns 100% of the voting common stock of the Company. During much of the examination period the Company operated as the primary reinsurer for associated mutual companies in Arkansas, Louisiana, South Carolina and Texas, as well as the Florida Farm Bureau Casualty Insurance Company. As a result of significant losses from the devastating hurricanes which struck the Gulf Coast during August and September of 2005 the Company received $71,000,000 under a previously
approved line of credit agreement with SFBCIC in order to help provide cash flow for the coverage of these losses. During 2006, the line of credit and the applicable interest was paid in full. Effective January 1, 2007, the Company no longer conducted any active underwriting activities and essentially became inactive.

The Company formerly operated as the primary reinsurer for associated companies. As a result of significant hurricane losses incurred during 2005, effective January 1, 2007 the Company ceased conducting underwriting activities and essentially became inactive.

COMMITMENTS AND CONTINGENT LIABILITIES

At December 31, 2007, the Company was involved as a defendant in various litigation matters. Although the outcome of such legal actions cannot be predicted, in the opinion of management and its legal counsel, the resolution of any currently pending or threatened actions should not have a material adverse effect on the surplus position of the Company.
