MISSISSIPPI PROPERTY AND CASUALTY FILING SUMMARY

Identification of Loss Assessments

(A Company showing loss assessments as an expense item to support a rate change, or for recoupment of loss assessments, must show what parts of the assessments were reimbursed through reinsurance.)

1. Provide a bullet point summary of all revisions in this filing.

2. Provide a detailed breakdown of rate changes by territory (include a state map showing defined territories). Provide statewide overall percentage change.

3. Provide current underwriting restrictions by territory for new and renewal business. How will approval of this filing impact current underwriting restrictions?
