BULLETIN 2020-5

MISSISSIPPI INSURANCE DEPARTMENT

INSURANCE PRODUCERS, ADJUSTERS AND BAIL BONDSMEN

CONTINUING EDUCATION REQUIREMENTS EXTENSION

DUE TO THE COVID-19 CRISIS

April 1, 2020

On March 14, 2020, Governor Tate Reeves declared a state of emergency to address the high risk for an outbreak of the novel coronavirus, identified as COVID-19, in this State. As a result of the COVID-19 pandemic, people have been quarantined and people have been encouraged to shelter in place.

The Mississippi Insurance Department (“MID”) is aware that as a result of these necessary actions, insurance producers, adjusters and bail bondsmen in this State may be unable to complete their continuing education (“CE”) requirements in a timely fashion.

Mississippi insurance producers, adjusters and bail bondsmen whose CE compliance periods end in March, April, May, or June 2020, should timely contact the MID requesting an extension for completing CE requirements in order to meet license requirement for renewals. This includes Mississippi nonresident adjuster with Mississippi as the Designated Home State. The MID will work with these licensees to ensure that they are given an appropriate opportunity to meet their CE requirements.

To request an extension for CE requirements, please contact the MID Licensing Division at (601) 359-2132, or licensing@mid.ms.gov.
