IN THE MATTER OF:

MISSISSIPPI PUBLIC RECORDS ACT
AS SAME IS INTERPRETED BY THE
MISSISSIPPI INSURANCE DEPARTMENT

CAUSE NO. 02-4532

ORDER

THIS CAUSE came on for hearing to consider the adoption of Mississippi Insurance Department Amended Regulation No. 83-1, entitled, "Mississippi Public Records Act As Same Is Interpreted By The Mississippi Insurance Department", and the Commissioner of Insurance having held a public hearing and heard the comments of all interested parties and the evidence produced by such parties involved and having received no written comments, finds as follows, to-wit:

I.

That on or about October 8, 2002, the Commissioner of Insurance for the State of Mississippi, or his duly appointed representative, pursuant to the provisions of Miss. Code Ann. § 25-43-7(1), filed with the Secretary of State of the State of Mississippi that said Commissioner of Insurance, or his duly designated representative, would hold a public hearing on Tuesday, November 12, 2002, at 1:30 p.m., in the Offices of the Commissioner of Insurance, 10th Floor, Woolfolk State Office Building, 501 North West Street, Jackson, Hinds County, Mississippi to afford all interested persons the opportunity to submit testimony and evidence and to give opinions, make comments, suggestions or objections concerning amended Regulation 83-1.

II.

That the Commissioner of Insurance, or his duly appointed representative, pursuant to the
provisions of Miss. Code Ann. § 25-43-7(1), mailed postage prepaid, copies of an Administrative Procedures Filing Notice and Notice of Hearing to all persons who had made a timely request to the Mississippi Insurance Department for advance notice of said Department's rule making proceedings.

III.

That pursuant to said Notice of Hearing, a public hearing was held before the Commissioner of Insurance of the State of Mississippi, or his duly appointed representative, on November 12, 2002, at 1:30 p.m., in the Offices of the Commissioner of Insurance, 10th Floor, Woolfolk State Office Building, 501 North West Street, Jackson, Hinds County, Mississippi, in which all interested parties were given an opportunity to present their views, opinions, suggestions, comments or objections relative to the amended Regulation 83-1.

IV.

That the Commissioner of Insurance received no written statements from companies, organizations and individuals and no companies, organizations or individuals appeared to give oral statements at the aforesaid public hearing. This regulation contains the rules and procedures to be followed by the Mississippi Insurance Department in implementing the Public Records Act of 1983, Miss. Code Ann. 25-61-1 et seq.

Employees of the Mississippi Insurance Department may, however, continue to furnish to the public, informally and without compliance with these procedures, information and records which they customarily furnish in the regular performance of their duties prior to the enactment of the Public Records Act of 1983, Miss. Code Ann. 25-61-1 et seq.

Section 83-1.2 Statement of policy.

The policy of the Mississippi Insurance Department is one of full and responsible disclosure of its identifiable records consistent with the provisions of the Public Records Act of 1983, Miss. Code Ann. 25-61-1 et seq. All records not exempt from disclosure will be made available. Moreover, records exempt from mandatory disclosure will be made available as a matter of discretion when disclosure is not prohibited by law or is not prohibited by law or is not against the public interest.

Section 83-1.3 Personnel.

(a) A Freedom of Information Officer will be responsible for the processing of all official requests for information/records pertaining to the Mississippi Insurance Department and its separate
divisions including the offices of the Fire Marshal and the Liquified Compressed Gas Sector.

(b) A Freedom of Information Liaison Officer, located in the office of the Mississippi Insurance Department or its divisions, will be designated from each division of said Department. The duty of this position will be to assist the Freedom of Information Officer in the enforcement of the Mississippi Public Records Act of 1983.

Section 83-1.4  Request for records.

(a) A request for a record of the Mississippi Insurance Department may be made orally or in writing and shall be directed to said agency either by mail at the usual mailing address, P.O. Box 79, Jackson, MS 39205 or in person at the offices of the Mississippi Insurance Department 10th Floor, Woolfolk State Office Building, Jackson, MS 39201. Although oral requests may be honored, a requestor may be asked to submit in writing a request for records not customarily made available. Any written request for records covered by these regulations shall be deemed to be a request for records pursuant to the act whether or not the act is mentioned in the request. When a request is made in writing, both the envelope and the letter should clearly indicate that the subject is a Freedom of Information Request.

(b) A request should reasonably describe the desired record. Where possible, specific information regarding the dates, files, titles, file designation, etc. should be supplied.

(c) Where the information supplied by the requestor is not sufficient to permit the identification and location of the record by the Mississippi Insurance Department without an unreasonable amount of effort, the requestor will be contacted and asked to supply the necessary information. Every reasonable effort shall be made by the agency to assist in the identification and location of requested records.

Section 83-1.5  Time limitations.

(a) Within fourteen (14) working days (excluding Saturdays, Sundays and legal public holidays) of the receipt of a request, the Mississippi Insurance Department shall determine whether to comply with or to deny the request and shall dispatch such determination to the requestor.

(b) If no determination has been dispatched at the end of the fourteen (14) working day period, the requestor may deem his request denied, and exercise a right of appeal in accordance with Section 83-1.9 of this regulation. When no determination can be dispatched within the applicable time limit, the Mississippi Insurance Department shall nevertheless continue to process the request; on expiration of the time limit the agency shall inform the requestor of the reason for the delay, of the date on which a determination may be expected, and of his right to treat the delay as a denial and of the appeal rights provided by the Act. The agency may ask the requestor to forego appeal until a determination is made.

Section 83-1.6  Exemptions.

(b) A response denying a written request for record shall be in writing and shall include:

1. the identity of each person responsible for the denial;

2. a reference to the specific exemption or exemptions authorizing the withholding of the record with a brief explanation of how each exemption applies to the record withheld. (c) Where an extensive number of documents are identified and collected response to a request and the requestor has not indicated in advance his willingness to pay fees as are anticipated for copies of the document, the agency shall inform the requestor that the documents are available for inspection and for subsequent copying at the established rate.

(d) A written determination with respect to an appeal shall be made within ten (10) days of the filing of the appeal. If the records, or any segregable part thereof are found to have been improperly withheld, the Commissioner of Insurance shall order the Mississippi Insurance Department to make them available. If the agency continues to withhold the records, the requestor may seek enforcement of the order in the Chancery Court.

(e) A denial in whole or in part of a request on appeal shall set forth the exemption relied on, a brief explanation consistent with the purpose of the exemption of how the exemption applies to the records withheld, and the reasons for asserting it. The denial shall also inform the requestor of
the right of judicial review.
