Rule 7.02: Definitions

7.02.1: Mississippi Fire Prevention Code – Miss. Code Ann. § 45-11-103.

- A. Miss. Code Ann. § 45-11-103 states that the standards embodied in the Mississippi Fire Prevention Code shall be based upon and shall not be less stringent than the standards established by the standard fire prevention code as promulgated by the Southern Building Code Congress International, Inc., as the same may be revised or amended, and the provisions of the Mississippi Code Annotated. As of 1994, the Southern Building Code Congress International, Inc. became the International Code Council and the Standard Fire Prevention Code became the International Fire Code. Therefore, the Mississippi Fire Prevention Code shall be based upon the 2012 edition of the International Fire Code, as revised or amended.
- B. The Mississippi Fire Prevention Code adopts the International Fire Code as published by International Code Council beginning with the 1976 Standard Fire Prevention Code (SBCCI) and Appendix A up to and including the 2012 edition of the International Fire Code as promulgated by the International Code Council as same may be revised or amended. The Mississippi Fire Prevention Code, as applied in Rule 7.03 below, is also adopted for all counties and municipalities that do not adopt a distinct fire prevention

code meeting the requirements of paragraph D. below. Editions of the Standard Fire Prevention Code that are recognized and adopted by the State Fire Marshal include: 1976, 1979, 1982, 1985, 1988, 1991, 1993, 1995, 1997, 1999, the International Fire Code (IFC) 2000, 2003, 2006 and 2012 as published by the International Code Council, the 2012 Edition of the International Building Code (IBC), and the 2012 Edition of the International Residential Code (IRC) for One-and-Two Family Dwellings, with the exception of:

1. Section R313, Automatic Fire Sprinkler Systems, in its entirety,
 2. Section P2904, Dwelling Unit Fire Sprinkler Systems, in its entirety.
- C. Miss. Code Ann. § 45-11-103 states that the State Fire Marshal shall have the authority to deviate from the minimum requirements of the International Fire Code and the Standard Fire Prevention Code when the imposition and enforcement of a specific requirement would violate any existing state statutory provision or cause undue hardship or when such deviation would enable builders to take advantage of new methods, materials or equipment which is of recognized adequacy.
- D. Any county or municipality may adopt a fire prevention code with standards not less stringent than the Mississippi Fire Prevention Code listed above. The provisions and enforcement mechanism thereof shall apply and not the Mississippi Fire Prevention Code and as such the county or municipality will assume responsibility for local code enforcement for places of public assembly within their respective jurisdictions.

Rule 7.02: Definitions

7.02.1: Mississippi Fire Prevention Code – Miss. Code Ann. § 45-11-103.

- A. Miss. Code Ann. § 45-11-103 states that the standards embodied in the Mississippi Fire Prevention Code shall be based upon and shall not be less stringent than the standards established by the standard fire prevention code as promulgated by the Southern Building Code Congress International, Inc., as the same may be revised or amended, and the provisions of the Mississippi Code Annotated. As of 1994, the Southern Building Code Congress International, Inc. became the International Code Council and the Standard Fire Prevention Code became the International Fire Code. Therefore, the Mississippi Fire Prevention Code shall be based upon the 2012 edition of the International Fire Code, as revised or amended.
- B. The Mississippi Fire Prevention Code adopts the International Fire Code as published by International Code Council beginning with the 1976 Standard Fire Prevention Code (SBCCI) and Appendix A up to and including the 2012 edition of the International Fire Code as promulgated by the International Code Council as same may be revised or amended. The Mississippi Fire Prevention Code, as applied in Rule 7.03 below, is also adopted for all counties and municipalities that do not adopt a distinct fire prevention

code meeting the requirements of paragraph D. below. Editions of the Standard Fire Prevention Code that are recognized and adopted by the State Fire Marshal include: 1976, 1979, 1982, 1985, 1988, 1991, 1993, 1995, 1997, 1999, the International Fire Code (IFC) 2000, 2003, 2006 and 2012 as published by the International Code Council, the 2012 Edition of the International Building Code (IBC), and the 2012 Edition of the International Residential Code (IRC) for One-and-Two Family Dwellings, with the exception of:

1. Section R313, Automatic Fire Sprinkler Systems, in its entirety,
 2. Section P2904, Dwelling Unit Fire Sprinkler Systems, in its entirety.
- C. Miss. Code Ann. § 45-11-103 states that the State Fire Marshal shall have the authority to deviate from the minimum requirements of the International Fire Code and the Standard Fire Prevention Code when the imposition and enforcement of a specific requirement would violate any existing state statutory provision or cause undue hardship or when such deviation would enable builders to take advantage of new methods, materials or equipment which is of recognized adequacy.
- D. Any county or municipality may adopt a fire prevention code with standards not less stringent than the Mississippi Fire Prevention Code listed above. The provisions and enforcement mechanism thereof shall apply and not the Mississippi Fire Prevention Code and as such the county or municipality will assume responsibility for local code enforcement for places of public assembly within their respective jurisdictions.

7.02.2: State Fire Officials – Miss. Code Ann. § 45-11-1.

- A. The inspection authority of the State Fire Marshal's Office is defined as follows:
1. The Commissioner of Insurance is by virtue of his office the State Fire Marshal.
 2. The Commissioner of Insurance/State Fire Marshal shall appoint the State Chief Deputy Fire Marshal who shall serve as the fire official for the State of Mississippi as defined in the International Fire Code who along with his Deputy State Fire Marshals shall be designated as a Division of the Insurance Department.
 3. The State Chief Deputy Fire Marshal shall serve as the Fire Official for the Mississippi Fire Prevention Code. The State Chief Deputy and his Deputy State Fire Marshals shall mean the inspecting and enforcing authority appointed by the State Fire Marshal.

4. "State Inspector" shall mean a duly authorized representative/inspector in the employ of the State Fire Marshal under the direction of the State Chief Deputy Fire Marshal.
5. "Special State Inspector" shall mean an authorized Inspector in the employ of other state agencies of the State of Mississippi who has met the requirements of Section A101.2.2 "Inspector Qualifications" as set forth in Appendix A of the 1999 edition of the Standard Fire Prevention Code and may be appointed at the discretion of the State Chief Deputy Fire Marshal to conduct inspections of buildings owned by the State of Mississippi or its political subdivisions. "Special State Inspectors" appointed under this rule are not entitled to receive additional compensation from the State Fire Marshal's Office for performing inspection duties under this section.

7.02.3: Local Fire Official

- A. The Local Fire Official is defined as the Fire Chief of a municipal or county paid or volunteer fire department.
- B. "Special Local Inspector" shall mean an individual who has been approved by and recommended for appointment as a "Special Local Inspector" by the local Fire Chief or authorized official and who has met the requirements of Section A101.2.2 of the 1999 Edition of the Standard Fire Prevention Code and the International Fire Code and may be appointed at the discretion of the State Chief Deputy Fire Marshal to conduct inspections of buildings owned by the State of Mississippi or its political subdivisions. "Special Local Inspectors" appointed under this rule are not entitled to receive additional compensation from the State Fire Marshal's Office for performing inspection duties under this section.
 1. "Special Local Inspector" shall be issued an Official Identification Card by the State Chief Deputy Fire Marshal. Said identification card shall be issued with the understanding that said card shall be surrendered upon the demand of the State Chief Deputy Fire Marshal.
 2. No badge or card bearing the name of the State Fire Marshal's Office shall be issued to or authorized for use by the "Special Local Inspector" except for the Official Identification Card issued by the State Chief Deputy Fire Marshal.
 3. Inspections conducted by "Special Local Inspectors" for the State Fire Marshal's Office shall be limited to the inspections of buildings owned by state or state

agencies or the inspections of any other building within their local jurisdiction upon the request by the State Chief Deputy Fire Marshal.

4. Inspections conducted by "Special Local Inspectors" for the State Fire Marshal's Office shall be completed on inspection forms issued by the State Fire Marshal's Office or on fire inspection forms used by the local fire department. Copies of all inspections shall be submitted no later than fifteen (15) days from the date of the inspection to the State Fire Marshal's Office for review and enforcement of all fire code violations.
5. "Special Local Inspectors" shall attend all mandatory training offered by the State Fire Marshal's Office.

7.02.4: Buildings/Public Assemblies – Miss. Code Ann. § 45-11-101.

A. Buildings/Public Assemblies are defined pursuant to Miss. Code Ann. §45-11-101 as:

1. All buildings owned by the State or State Agencies or political subdivisions. [Miss. Code Ann. § 45-11-101(1)(a)];
2. All buildings utilized for public assembly except in any county or municipality which has adopted a fire prevention code with standards not less stringent than the Mississippi Fire Prevention Code. However, the State Fire Marshal or his authorized representative shall perform investigations or inspections of such buildings only when advised by interested persons of a danger or hazardous inflammable condition existing in any building that would tend to impair the safety of persons of property, or, when the State Fire Marshal, or his authorized representative, believes the investigation or inspection is in the interest of public safety. The investigation or inspection shall be made in accordance with Miss. Code Ann. § 45-11-3, [Miss. Code Ann. § 45-11-101(1)(b)];
3. All buildings, the permits for the construction of which are issued subsequent to the effective date of Miss. Code Ann. §§ 45-11-101 through 45-11-111, and which are not less than seventy-five (75) feet in height. However, in any county or municipality which has adopted a fire prevention code with standards not less stringent than the Mississippi Fire Prevention Code, the provisions and enforcement mechanism thereof shall apply and not the Mississippi Fire Prevention Code., Miss. Code Ann. § 45-11-101(1)(c)];
4. All buildings, the permits for construction of which are issued subsequent to July 1, 2004, constructed as private correctional facilities that house state inmates.

Before such construction, construction plans must be submitted for review and approval to the State Fire Marshal's Office to ensure compliance with the Mississippi Fire Prevention Code; however, in any county or municipality that has adopted a fire prevention code with standards not less stringent than the Mississippi Fire Prevention Code, the provision and enforcement mechanism thereof shall apply instead of the Mississippi Fire Prevention Code. All private correctional facilities may be inspected as required by the State Fire Marshal or his duly authorized representative. Inspection fees of \$400.00 plus expenses authorized by Miss. Code Ann. § 45-11-105 (2) shall be assessed for each inspection conducted by the state Fire Marshal's Office and shall be paid to the State Fire Marshal's Office. [Miss. Code Ann. § 45-11-101(1)(d)];

5. Any building, the permits for construction of which are issued subsequent to July 1, 2004, upon the request of any interested person. The interested person may submit the construction plans to the State Fire Marshal's Office for review and approval before construction to ensure compliance with the Mississippi Fire Prevention Code; however, in any county or municipality that has adopted a fire prevention code with standards not less stringent than the Mississippi Fire Prevention Code, the provisions and enforcement mechanism thereof shall apply instead of the Mississippi Fire Prevention Code. Inspection fees of \$400.00 and expenses authorized by Miss. Code Ann. § 45-11-105 (2) shall be assessed for each inspection conducted by the State Fire Marshal's Office and shall be paid to the State Fire Marshal's Office. Miss. Code Ann. § 45-11-101(1)(e);
6. All buildings, the permits for construction of which are issued subsequent to July 1, 2005, constructed as private fraternity and sorority houses located on state property. Before such construction, construction plans shall be submitted for review and approval to the State Fire Marshal's Office to ensure compliance with the Mississippi Fire Prevention Code. All private fraternity and sorority houses located on state property may be inspected as required by the State Fire Marshal or his duly authorized representative. All fraternity and sorority houses located on state property shall be equipped with an approved fire alarm and smoke detector system to be in compliance with the National Fire Code (NFPA) Standard 72 as published by the National Fire Protection Association and as same may be revised or amended. All fraternity and sorority houses constructed on state property after April 29, 2005, shall be equipped with an approved automatic fire sprinkler system to be in compliance with the National Fire Code (NFPA) Standard 13 as published by the National Fire Protection Association and as same may be revised or amended. [Miss. Code Ann. § 45-11-101(1)(f)];
7. Assemblies as defined in Chapter 2 under Definitions of the 2012 International Fire Code (IFC).

8. The State Fire Marshal shall annually examine the fire prevention codes adopted by counties and municipalities within the State of Mississippi and prepare a list thereof specifying which codes have provisions not less stringent than those of the Mississippi Fire Prevention Code.
