

Bail Agent Continuing Education

- There shall be no continuing education required for the first year of an original license.
- 8 hours of continuing education are required for each year or part of a year of the two-year license period, for a total of 16 hours per license period.

Bail Agents may use www.sircon.com/mississippi to search for approved providers and courses, and check CE transcripts for insurance producers.

"ALERT: CLICK ON THE EDUCATION REVIEW PERIOD DROP-DOWN MENU AT THE TOP OF THE CONTINUING EDUCATION TRANSCRIPT PAGE TO REVIEW ALL PERTINENT PERIODS."

To check your Mississippi CE credits, click on the "Look up education courses/credits" on the Mississippi Producer portal home page. On the next screen, click on the "Continuing Education Transcript Inquiry" and select Mississippi as the state. To get your transcript you will need both your license number and social security number.

To search for approved providers and courses, click on the "Look up education courses/credits" on the Mississippi Producer portal home page. On the next screen, click on the "Approved Courses Inquiry" or "Approved Providers Inquiry". You may search by continuing education type. To find the phone numbers for the providers, click on the provider name. All providers and courses on www.sircon.com/mississippi are approved for Mississippi continuing education credit.

Please contact the course provider for credit discrepancies in your transcript.
