STATE OF MISSISSIPPI

The Mississippi Insurance Department (MID) continues moving forward to provide a healthy insurance market and to be an advocate for the consumers of this state. Our goal is to create the highest degree of economic security, quality of life, public safety and fire protection for the state's citizens at the lowest possible cost. This is accomplished through a variety of initiatives including the regulation of the insurance and liquefied compressed gas industries and development of statewide fire services. During 2017 the department continued its work in assisting and protecting Mississippians. By the numbers, here is a look at the Mississippi Insurance Department in 2017 followed by a listing of significant events or accomplishments.

Health Care

Maintaining Healthcare Premium Costs for Young Enrollees

The department obtained a federal waiver from the Centers for Medicare and Medicaid Services (CMS) to ensure that children in the 14 and under age category would not see large rate increases for health insurance coverage. Without the waiver, beginning January 1, 2018, many younger enrollees would have seen significant rate increases under the Patient Protection and Affordable Care Act (ACA).

The Opioid Crisis

We issued Bulletin 2017-4, which strongly encouraged all issuers of health insurance products in Mississippi to implement the Centers for Disease Control and Prevention (CDC) Guidelines for Prescribing Opioids for Chronic Pain. In the past two decades, Mississippi has seen a marked increase in the use of opioid pain relievers which has consequently resulted in an escalation of opioid dependency, as well as a surge in heroin addiction. The bulletin asked issuers to partner with pain management experts, addiction experts and the issuers' network providers and pharmacists. Issuers were also encouraged to promptly submit any necessary form and rate filing changes associated with this implementation to MID.

EXECUTIVE SUMMARY (Continued)

Transitional Relief for Health Policies

CMS extended transitional health policy years beginning on or before October 1, 2018, provided that all such policies end by December 31, 2018. This approach was designed to facilitate smooth transitions from transitional coverage to Affordable Care Act-compliant coverage, which requires a calendar year policy year in the individual market. This action/guidance was issued after Commissioners, including Commissioner Mike Chaney voiced concerns as to the devastating impact to policyholder's premiums that would have resulted if Transitional Relief had ended on December 31, 2017.

Fire Service

Significant Arson Arrests

1. In a joint investigation with the Mississippi State Fire Marshal's office, Grenada Police Department, the Grenada Fire Department, and the Grenada Sheriff's Office, State Fire Marshal Mike Chaney announced the arrest of an individual in connection with the Yalobusha River Bridge fire over the Fourth of July weekend, 2017. A twenty-year-old man from Grenada was arrested and charged with felony malicious mischief for being responsible for the fire that shut down the railroad bridge that serves as a rail line from Memphis to Canton, Mississippi.

2. Individuals conspiring to commit arson were caught in the act in Picayune, MS in a joint operation between the Special Response Team (SRT) of the Mississippi State Fire Marshal's Office and the Pearl River County Sheriff's Office. Commissioner of Insurance and State Fire Marshal Mike Chaney praised the operation that prevented a fire from being set.

Fire Rating Classifications Improve

In 2017, 269 fire departments and cities across the state achieved a better fire rating classification from the Mississippi State Rating Bureau, which means better fire protection and lower fire insurance premiums. This also means more companies are willing to write coverage in these areas and more homeowners are electing to purchase coverage.

EXECUTIVE SUMMARY (Continued)

Eudora Welty Library Closing

On October 4, 2017, the State Fire Marshal's Office, in the interest of public safety, conducted a fire and life safety inspection of the Eudora Welty Library, in Jackson, MS. Numerous life safety conditions and violations of the Mississippi Fire Prevention Code were found. As a result, on October 5, 2017, the Eudora Welty Library was closed to the public until violations and conditions were corrected. The library reopened on October 16, 2017.

Free Smoke Alarms

In 2017, the State Fire Marshal's Office worked with over a dozen different cities and counties to get 4,000 smoke alarms installed in 1,300 homes.

Consumer Protection

Life Insurance Policy Locator

The MID partnered with the National Association of Insurance Commissioners (NAIC), to offer a free service that helps Mississippi consumers in their search to locate a deceased love one's unclaimed life insurance benefits. Through the end of 2017 there were over 500 searches for Mississippi policyholders with 68 beneficiaries being matched and premiums paid in the amount of \$1,130,432.54. A link to the service can be found on the MID website.

Free Flooded Vehicle Inspections

MID, in partnership with the Mississippi State Attorney General's Office and the Mississippi Collision Repair Association, announced the offer of free flood inspections of vehicles in November, 2017, to assist Mississippians in determining if a vehicle they were considering purchasing had been flooded. This was in response to reports that an estimated 1 million vehicles damaged by flooding from Hurricane Harvey and Hurricane Irma had inundated the market.

EXECUTIVE SUMMARY (Continued)

Vehicle Insurance Verification System

Since the adoption of the Public Safety Verification and Enforcement Act, the Mississippi Insurance Department has issued three bulletins on the verification system for the purpose of keeping carriers informed of developments. MID staff were actively involved with the advisory group assisting with the development of the Mississippi Vehicle Insurance Verification System (MSVIVS) which became operational in 2017 and is administered by the Mississippi Highway Patrol. All insurance companies licensed or authorized to write motor vehicle liability insurance in the state have been very cooperative in providing the necessary information to verify liability coverage for a motor vehicle insured and registered in the state.

Mississippi Disaster Recovery

MID and the State Fire Marshal's Office assisted people in Lamar, Forrest, Perry and Lauderdale Counties who were affected by one of the three tornadoes that struck the state on January 21, 2017. These were powerful storms, registering as an EF-3 and EF-2 on the Fujita scale. Our State Fire Marshals and the Search and Rescue Team from the Mississippi State Fire Academy were on the ground within hours assisting in search and rescue and working with law enforcement to protect lives and property.

For the first time, the State Fire Academy's new search and rescue drone was used to assist in first responder and recovery efforts. Some of the first images of the devastation at William Carey College, in Hattiesburg, MS, came from a flyover of the campus by that drone. The video footage can be seen on the MID You Tube channel (<https://tinyurl.com/ycgwunw2>).

Disaster Recovery in Texas

At the request of the Texas Insurance Commissioner, Commissioner Mike Chaney sent three members of the MID staff to various Disaster Recovery Centers in Texas to assist in Hurricane Harvey disaster recovery. Texas was one of the states that assisted MID following Hurricane Katrina.

Bulletins and Regulations

Eight new bulletins were issued in 2017 addressing the following: professional bail agent annual financial statement requirement; amendments to surplus lines laws and adoption of the informational notice form; Center for Disease Control And Prevention guidelines on opioids; enforcement activities related to attestation requirement previously imposed on hospital indemnity or other fixed indemnity insurers; federal default uniform age curve; form and rate filing guidance for individual small group and stand-alone dental plans in Mississippi; the Mississippi Vehicle Insurance Verification System; and depreciation of labor expenses in property loss claims.

There were nine bills relevant to the Mississippi Insurance Department and the State Fire Marshal's Office and signed into law after the 2017 session of the Mississippi Legislature. In addition to regular appropriations bills, these bills addressed the following issues: surplus lines placement eligibility; auto insurance: extending the repealer on the statute requiring repair business and lienholder as additional payees on claim check; fire protection district boundaries; revising laws regarding insurance adjusters; revising laws regulating holding companies; credit for reinsurance; assessments, reenactment of the Public Safety Verification and Enforcement Act; and clarifying the effect of payment when life insurance proceeds become payable.
