August 14, 2014

EXAMINATION OF LIFE, ACCIDENT AND HEALTH INSURANCE PRODUCER APPLICANTS

The Producer Licensing Act, found at Miss. Code Ann. § 83-17-51, et. seq. (Rev. 2011) requires all applicants for an insurance producer license in this State to submit to a personal written examination before licensure, except a written examination is not required for those persons applying for certain licenses as provided in Miss. Code Ann. § 83-17-39(1)(a) through (g).

An applicant must take and receive a satisfactory examination grade in the subject that pertains to the line or lines of insurance the applicant desires to write. Until further notice from the Commissioner of Insurance, the grade required for passage of life; life, accident and health; and accident and health examinations shall be sixty-five percent (65%).

The provisions contained within this Bulletin will apply to examinations taken on and after August 16, 2014. If you have any questions regarding this Bulletin, please contact the Licensing Division of the Mississippi Insurance Department at (601) 359-3582.
