Re: NOTICE OF DENIAL of MEP Class H License Application and
Opportunity for a Hearing

Mr. Dabney:

Please be advised that the Mississippi State Fire Marshal Office (SFO) has carefully reviewed and considered your application for Mississippi Electronic Protection License - Class H. The Department wishes to advise you that your application has been **DENIED**.

Miss. Code Ann. § 73-69-11(2) (c) (Rev. 2014), permits the denial of a license to a convicted felon. Our criminal history records show you were arrested for felony burglary on or around March 22, 2008 and Aggravated Burglary on November 11, 2014. The SFO has not received any documentation regarding these arrests and therefore is denying the application unless Mr. Dabney provides documentation showing the disposition of the arrests.

Pursuant to Miss. Code Ann. § 73-69-11(9) (Rev. 2014), you are entitled to a formal hearing before the SFO regarding your application for a privilege license. If you desire a formal hearing, you must send your demand for hearing to the SFO **within ten (10) days** of your receipt of this letter. Your request for a hearing must be in writing. Upon receipt of your written demand for formal hearing, it will be scheduled and held within 30 days.

Please feel free to contact me if you have any questions regarding this matter and your written response should be directed to my attention.

Sincerely,

MIKE CHANEY
