

Happy Holidays !

Christmas is a time of an increased focus on giving, reflecting and most importantly helping others. I am proud to say that helping others is something we do every day at the Mississippi Insurance Department.

It's my honor to lead and serve such a dedicated group of insurance professionals. We have worked hard during 2016 to help people find improved healthcare coverage; to bring about reform in the bail bonds industry; to reduce fire deaths in Mississippi; and more. I want to thank the citizens of Mississippi, for the faith and continued support you show for the Mississippi Insurance Department and the State Fire Marshal's Office.

The New Year, 2017, will be here soon and with it, a new federal administration. I ask for your continued support as we work to address what are sure to be many changes within the insurance industry. We will continue our mission to do what is in the best interests of all Mississippians.

Take the time this Christmas season to enjoy friends and family and to reach out to those in need. I wish you Peace on Earth and Good Tidings of Great Joy. On behalf of the employees of the Mississippi Insurance Department, and from my family and me, we wish you and yours a Merry Christmas and a Happy New Year! May 2017 bring you all much joy and prosperity.
