Veterans Day - November 11, 2014

"Throughout this country's history the freedoms we enjoy today were won and are defended by the men and women who serve in our military. Often, we forget the price they pay as they put honor and

duty and country above all else. On this Veterans Day, we honor those who have and are serving and those who made the ultimate sacrifice. When you see someone in military uniform, not just today, but any day, stop - shake their hand - and thank them for their service."

A handwritten signature in black ink, appearing to be "John A. ...", written over a horizontal line. The signature is stylized and somewhat cursive.
