## PLEASE READ AND FOLLOW THE INSTRUCTIONS FOR THE PROPERTY LOCATOR/CERTIFICATE OF INSTALLATION FORM

RETAILER/DEVELOPER: To ensure compliance with Miss. Code Ann. § Section 75-49-9(2), it shall be the responsibility of each retailer/developer to submit a legible and properly completed Property Locator/Certificate of Installation, signed by the retailer/developer and the installer/transporter, to the Factory-Built Home Division of the State Fire Marshal's Office for all factory-built, manufactured, mobile or modular homes within seventy-two (72) hours (3 days) of the completion of the installation of home during regular business hours.

INSTALLER/TRANSPORTER: To ensure compliance with Miss. Code Ann. § Section 75-49-9(2), it shall be the responsibility of each installer/transporter to submit a legible and properly completed Property Locator/Certificate of Installation form to the Factory-Built Home Division of the State Fire Marshal's Office for all Secondary Installations of factory-built, manufactured, mobile or modular homes within seventy-two (72) hours (3 days) of the completion of the installation of home during regular business hours.

To access the State Fire Marshal's web site for the Property Locator/Certificate of Installation form type in the following address link:

www.mid.ms.gov/sfm/pdf/instroplocinstallertrans.pdf

To e-mail a scanned copy of the properly completed and signed <u>Property Locator/Certificate of</u> Installation , please use the following address:

manhousing@mid.ms.gov
