State of Mississippi
Mississippi Insurance Department

Amendment No. 1

Request for Proposal #151001
Volunteer Firefighter Telemedicine Services

A. The Cost, Pricing and Capitation Section on Pages 7-8 has been amended as follows:

SECTION II PROPOSAL SUBMISSION REQUIREMENTS

10. Cost, Pricing and Capitation

- 10.5 The capitation rate is intended to cover all health care related costs for services that are described in the technical requirements section of this RFP. Total cost and fees are to be documented on the pricing matrix are to be included in the RFP response by the Vendor.

B. The Mandatory Provisions section on pages 30-31 has been amended as follows:

SECTION VII TECHNICAL SPECIFICATIONS

2. ~~Mandatory Provisions or No Mandatory Provisions~~ in Technical Requirements for this RFP

- 2.2 ~~Mandatory requirements are those features classified as "M" (Mandatory) in the Requirements Matrix in Section VII, Item 12: *Technical Specifications – Requirements Matrix*. "Meeting a mandatory requirement" means the Vendor is able to respond "E" (exceeds specifications) or "X" (exists in base version of software package).~~
- 2.2 Mandatory Items are listed in Section VII, Technical Specifications, Paragraph 12.4.

(Note: New language is underlined. Deleted language has a ~~strikethrough~~.)
