Amendment No. 2

Request for Proposal #151001
Volunteer Firefighter Telemedicine Services

SECTION VII TECHNICAL SPECIFICATIONS

A. The "How to Respond to this Section" Section on Page 30 has been amended as follows:

1. How to Respond to this Section

1.7 In addition to the above, Vendor must provide explicit details as to the manner and degree to which the proposal meets or exceeds each specification. If more space is required for "Additional Comments" you may attach comments at the end of the RFP properly indexed to the appropriate section.

B. Sections 2 through 12, pages 30-51, have been modified as follows:

1. A dropdown has been added to allow vendors to select the appropriate box.
2. "Additional Comments" boxes have been added to allow vendors to submit comments adjacent to the section. If additional space is required, then 1. above applies.

(Note: New language is underlined. Deleted language has a ~~strikethrough~~.)
